

Robins Lane School Newsletter

Learning Together, Happy Together

26th May 2017

Dear Parent/Carer,

We have had a very exciting week here at Robins Lane leading up to half term. We have held a 'Science fortnight', led by Miss Petre, which has included a workshop with the Sublime Science Company, where the children had the opportunity to make slime, bubbles and sherbet - which they thoroughly enjoyed! The children have also tested their scientific enquiry skills across the week linked to bubbles!

The first week after half term will be another exciting week linked to Design and Technology. Steph O'Donnell will be delivering workshops across Year 1 to Year 6, focusing on developing key skills and making a creative model.

Thank you to all of the children who have entered into our competition to create a design for a new mascot for attendance and for punctuality. I am very impressed with the designs and the creativity shown. If you would still like to enter the competition, please complete your entry and return to school on the first week back.

We can't believe that summer is finally here and our final half term is upon us. We have lots of exciting trips and events planned, we will send a list of important dates for your diary as soon as we have finalised them.

I would like to thank the parents from Year 1 and 2 who have recently attended our Science Workshops and supported family learning at Robins Lane.

The Year 2 children have worked extremely hard over the past fortnight completing their Year 2 SATs. We are very proud of each and every one of them!

I would like to take this opportunity to wish everyone a sunny, safe and restful half term! We return to school for our final summer term on Monday 5th June, I will look forward to seeing all of our Little Robins on their return to school.

Kind regards,
Mrs J Kilshaw
Acting Headteacher
