*Learning Together, Happy Together*

23<sup>rd</sup> June 2017

Dear Parent/Carer,

INVESTORS IN PEOPLE

Healthy Schools

As we are entering the final weeks of our summer term, we have lots of exciting events to report back to you. Our Year 5 robins and I, along with Mrs Topping, Miss Rice and Mrs Lee, left for the Kingswood trip and returned with huge smiles on our faces! The children had an amazing time and enjoyed a wide range of activities such as the 3G Swing, Hotspots, Nightline and a Camp Fire to name a few. The children learnt how to overcome their fears with the support and guidance of the school and the Kingswood staff.

Unfortunately, the decision was made to rearrange the Year 6 London trip. Thankfully we were able to arrange an alternative trip to Llandudno, Wales. The children had an excellent time in Llandudno and had the opportunity to visit the famous sights and enjoyed a trip to Conwy Castle, Greenwood Forest Park and the Welsh Mountain Zoo. They had a fantastic time and made many memories to cherish. I would like to thank all of the Year 6 parents for their understanding, patience and support throughout the whole process.

This year we will be holding a **SPORTS WEEK** where Robins Lane will be involved in various sporting activities across the week commencing the 26<sup>th</sup> June 2017, including rugby sessions, healthy food tasting opportunities, disability awareness sports, basketball and multi-sports. This year, our main sports day will be held at Robins Lane on Wednesday 28<sup>th</sup> June. We ask for children to come to school wearing sports kits (E.g. sportswear, football or rugby kits etc) all week, **apart from Wednesday when children will need to wear their full Robins Lane PE kit for our Sports Day.** We are all looking forward to an enjoyable week and keep our fingers crossed for good weather!

I would like to thank all parents and carers for supporting our Enterprise Fayre yesterday and the staff and children for all of their hard work. It was a really enjoyable afternoon and all of the children thoroughly enjoyed creating their products to sell at the Fayre. Across the fortnight, mathematical skills are brought to life when planning their project and calculating expenditure and profits. We will announce the winners and award the prizes in assembly next week!

Kind regards,  
Mrs J Kilshaw  
Acting Headteacher
