# Headteacher's Notes

Dear Parents and Carers,

Another week has flown by and our children have been eagerly engaged in their learning and busily completing a wide range of end of year assessments.

This week, Mr Rogers and Year 1 have been focusing on phonics. The Phonics Screening Check is a national test for all Year 1 children and Mr Rogers reported that our children were 'striving to succeed' and remembering all of their Read Write Inc strategies to help them to complete this assessment – well done Year 1 – we are very proud of you!

Year 4 have also been accessing national tests in the form of the Multiplication Tables Check. Mrs Matthews is delighted with her class's progress and their determination to 'never give up' in their quest to master the facts. Well done Year 4!

Year 6 have also been in the spotlight as St Helens Local Authority moderators have visited school to look at the children's end of key stage 2 writing. Thank you to Mr Cox, Mrs Matthews and the Year 6 team for ensuring that the children had the opportunity to showcase their impressive editing and publication skills.

This week, in our Tuesday inspiration assembly, I shared the amazing life story of Steve Jobs founder of Apple. The children were intrigued by his life choices and his unconventional path to success which led to the creation of current Apple products which the children know and love.

On Thursday, our intrepid Reception explorers headed out to Knowsley Safari Park for a wonderful day immersed in the world of animals. Please see our Facebook page for our photos which capture the day beautifully. Thank you to Miss Graham for organising the trip and to the staff and parent volunteers who ensured that our children were safe and happy on their travels.

On Thursday, our new school meal system, SchoolGrid, went live. St. Helens Council Catering Service have been implementing this new system across all schools in St. Helens and this week was our turn. Children have been eager to find out what our new computer screen in the canteen is for and enjoyed finding their name, revealing their meal choice that parents have selected for the day. Please be reminded that you can make your child's choices in advance for the week, month or even the full term! If you have had any problems logging into your SchoolGrid account, please email or call the school office and we can support you with this.

Thank you for your support with today's non-uniform event and for all your generous donations which will support us in our planned Summer Fayre which will be held on Friday 11<sup>th</sup> July – more details to follow very soon.

As always, I have spoken to the children many times this week about our WINGS values and how they can help us to deal proactively and positively with life's many challenges. On a finishing note, I would like to share the words of Tenzin Gyatso (14<sup>th</sup> Dalai Lama) "Be kind whenever possible...It is always possible".

Have a restful weekend and enjoy time together.

Yours sincerely,  
Mrs Tomkow
